Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Responsive to the Notice of Allowability mailed October 3, 2007, Applicant respectfully notes that claim 20—which the Notice of Allowability indicates as being allowable—was previously canceled in Applicant's After Final Amendment dated August 29, 2007. Thus, Applicant respectfully submits that the indication of allowability of claim 20 appears to be a typographical error.

In view of the Remarks set forth above, Applicant respectfully submits that the above-identified allowed patent application should proceed to issuance without delay.

Early notification to such effect is earnestly solicited. If the Examiner has any questions regarding the present communication, it is respectfully requested that the Examiner contact the undersigned agent directly at (312)-321-4257.

Respectfully submitted,
